

Important notice for passengers travelling to and from Sri Lanka

Sri Lanka Tourism - Covid 19' Protocol and Procedures for ALL Inbound Tourists

- Uniformity in Protocol and Procedures to be followed by all incoming tourists to Sri Lanka.
- There will be no exception to the rule for any nationality or country, in order to prevent any discrimination.
- Will be guided by the Ministry of Health and WHO guidelines.
- It is advocated that all incoming tourists possess a vaccination card.
- Tourists who are not vaccinated, should submit a PCR report obtained 72 hours prior to arrival.
- The relevant institutions in Sri Lanka will keep a close watch on any new covid related developments in consultation with the health authorities.
